Certified Organic Seed

Wide selection of other Certified Organic Seeds Available upon request.

MULTIOAT brand OATS;

OCIA Certified Organic

Plant the "Multioat" varieties for maximum profit!

High yields, heavy test weights, high protein, and excellent standing quality set these oats apart in the market place.

Multioat SE2004

(Short height, Early) NEW -High quality oats -Standability of SE88, with maximum disease resistance.
Higher Yielding , Heavier Test weights than previous varieties

Multioat SM2004

(Short height, Mid Season) Heavy Test Weight, Excellent standability, Great Yield Potential.

Multioat TE2004

(Tall, Early) Maximum Straw, Stands well for a tall oat Great test weight for an early oat

Multioat MM98

(Medium height, Midseason) Great test weight and standability. Great yield potential

Multioat MM2000

(Medium height, Midseason) Very good test weight and standability. Our Highest Yielding Oats,
Great disease resistance package, Strong emergence

Multioat TM90

(Tall, Midseason) This oat has the heaviest test weight we have ever seen. For maximum
straw, top protein, and good standability, plant TM90. Resistant to "Smut".

Striker Forage Oats Great for chopping, lots of tonage, high feed value, plant spring or fall!
